World Cup Scoring Rules

Group Stage:
- 2 points for each team you correctly guess passing the Group Stage (1st or 2nd)
  - 3 extra points for each of these teams guessed in their correct spot: 1st place coming in 1st, or 2nd place coming in 2nd
- 1 point for correctly guessing 3rd Place team in a group
- 1 point for correctly guessing 4th Place team in a group
- Maximum Number of Points per Group: 12

Round of 16:
- No points awarded here since it is taken directly from your guesses for the Group Stage

Quarterfinals:
- 6 points for correctly guessing a team making it to the Quarterfinals
  - Correct placement within the knockout tree does not matter

Semifinals:
- 12 points for correctly guessing a team making it to the Semifinals
  - Correct placement within the knockout tree does not matter

Final:
- 24 points for correctly guessing a team making it to the Final
  - Correct placement within the knockout tree does not matter

Champion:
- 48 points for correctly guessing the World Cup Champion

3rd Place Match:
- 12 points for correctly guessing the winner of the 3rd Place match

Cash Prize:
- Winner takes all money submitted into the pool, $20 per player if entry was on time

Loser:
- Must complete 1 of the following:
  - Completely shaving their head
  - Bleaching both eyebrows
